

C 30 High Temperature Armoured Extension Cable

Insulation

TG : Wire insulation teflon, glass braidingnGG : Wire insulation glass, glass braidingnKG : Kapton

Customer to specify

Armour Stainless steel wire braiding

Shape Round

Moisture resistance TG : GoodnGG : FairnKG : Good

Flame resistance Good

Mechanical strenght Excellent

Temperature limits TG : 0 / +285 ° CnGG : 0 / +400 ° CnKG : 0 / +285 ° C

Conductors

Stranded copper (102 x 0.05) for 0.2 mm² nTinned copper (11 x 0.2) for 0.35 mm²

Conductor size 0.2 or 0.35 mm²

Please specify

Number of conductors 2, 4 or 6

Please specify
